

RBDIGITAL MAGAZINES

RBdigital Magazines is a service that offers access to cover-to-cover, full digital editions of many popular magazines. Some magazines contain special content such as video or audio related to their articles. The magazines are current, and are released simultaneously with their print editions.

Henrico County Public Library offers RBdigital magazines at www.rbdigital.com/henricountyva and via the RBdigital app. Check out as many issues as you want, and keep them in your account as long as you wish. There are no expiration dates.

The free RBdigital app is available for iOS, Android and Kindle Fire devices and can be found in their app stores.
