FOR IMMEDIATE RELEASE
June 14, 2016

Streaming Movies, TV and Music from Henrico County Public Library

Henrico County Public Library now offers Hoopla, a service that gives Library cardholders the ability to check out online movies, television and music. Henrico County Public Library turned to Hoopla due to increased public demand for digital materials, as evidenced by the Library's increasing eBook, eAudiobook and eMagazine checkouts.

Henrico County Public Library cardholders can now download the free Hoopla digital mobile app on their Android or IOS device or visit hoopladigital.com/login to get started. Hoopla offers hundreds of thousands of movies, full music albums, and more – from major Hollywood studios and record companies – available to borrow 24/7, for instant streaming or temporary downloading to their smartphones, tablets and computers. All library members need are their library card and an email address. Movies and TV shows can be checked out for three days and music albums can be checked out for 7 days. All items are returned automatically at the end of their loan period. For more info visit henricolibrary.org/ebooks.

Partnering with Hoopla digital allows Henrico County Public to expand its catalog and meet public demand for online media. There is also no waiting period for popular titles and cardholders will be able to access content whenever they want, wherever they want.
