Henrico County Public Library to Offer Overdrive

Henrico County Public Library has now expanded its digital content services with eBooks and audiobooks available as free downloads to a computer or mobile device from the library's website through Overdrive. This new service is free for Henrico County Public Library members with a valid library card. Members can check out and download digital media anytime, anywhere by visiting www.henricolibrary.org.

Titles can be enjoyed immediately or transferred to a variety of mobile devices including iPod®, iPhone®, iPad™, Android™, Sony® Reader™, Nook, Blackberry, and many others. Amazon's Kindle will be available soon. Some audio titles can also be burned to a CD to listen to on-the-go. Titles will automatically expire at the end of the lending period which means there are no late fees!
