Varina Branch Library Will Close for Repaving November 11 & 12, 2010

The parking lot at the Varina Branch Library of Henrico County Public Libraries, located at 2001 Library Road, Henrico, 23231, is currently scheduled for repaving (weather permitting) on Thursday, November 11, and Friday, November 12. Because access to the parking lot and the Book Return will be blocked, library members will need to return library items to any of the other Henrico County Public Library locations on these days. The library is anticipated to be open for business as usual on Saturday, November 13.

Please note that all Henrico County government facilities, including public libraries, will be closed for business on Thursday, November 11, in commemoration of the Veterans Day holiday. For additional information, please go to www.henricolibrary.org or call 290-9800.
