STORYTIME!
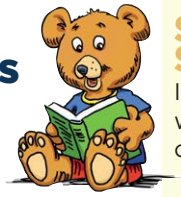
IT'S FREE! * IT'S FUN!
IT HELPS YOUR CHILD GET READY TO READ!

Expectations for Caregivers and Children



Help everybody get the most out of storytime by following these guidelines!

Find a best-fit storytime
Storytimes are designed for specific age and development levels. Choose the best-fit storytime for your child for maximum fun and learning!

- **Lapsit Lambs** storytime is for infants and pre-walkers
- **Mother Goose** is for 6 – 24 months
- **Toddler Time** is for 24 – 36 months
- **Preschool** is for 3 – 5 years
- **Family** storytime is for any age
- **Sensory Storytime** engages children through movement, music, stories, sensory activities and play. This welcoming, encouraging and supportive program is smaller and more adaptive than other storytimes. An early intervention professional will assist.

Come early
Space is limited due to room capacity. Show up early to make sure you find a spot. *We are unable to accommodate group visits at storytimes.* Please call your library to arrange something special for your group.

Join in
We encourage caregivers to sing, clap, and play along! Young children learn by doing, and you are your child's best role model.

Model good listening
Sit close to your child, turn off cell phones and wait until storytime is over to chat with other parents.

Health and safety first
If the room is full, please park strollers outside. Leave toys and snacks outside the story room. Constant coughing and runny noses mean it's time to stay home. If your child is having a hard time, being aggressive or disruptive, please feel free to take a break and come back when everybody is ready.

Storytime Sessions
In 2018 there are weekly storytimes on dates in **RED.**
