- ☐ Internet access
- ☐ A mobile device or computer

GETTING STARTED: IPHONE, IPAD, AND ANDROID USERS

DOWNLOAD THE APP

1. Find the free **Rosetta Stone Classic** app in your device's app store and install it. **Do *not* launch it**.

REGISTER/SIGN IN ON THE WEBSITE and SELECT YOUR LANGUAGE

2. **Scan the QR code** at right, OR open a mobile **web browser** and follow these steps to find the **HCPL Rosetta Stone link** on our site:
   - Visit the HCPL website at henricolibrary.org.
   - Tap the **menu** icon in the upper right corner and select **Research & Learning**.
   - Scroll to the **Academic Support** section and tap the **Rosetta Stone** link.
3. Enter your **library card number** if prompted.
4. On the EBSCO Select Resource page, tap the **Rosetta Stone Library Solution** link.
5. On the Rosetta Stone login page, **enter your email address** and **choose a password**. **Select the language** you wish to learn, then tap **Sign In.** On your first visit, this will create your account; in the future, you can use the same email and password to change the language you'll learn in the app.
6. Under **Rosetta Stone Language Learning Suite,** click **Launch Rosetta Stone Foundations** to launch the Rosetta Stone app.

SIGN IN TO THE APP

7. If prompted on the app's sign-in page, tap **Login.**
   - When asked what type of account you have, select **Work or School.**
   - Enter the email and password you used above.
   - **Workspace** should be prefilled. If not, enter HCPL's code: **s8912997**
   - Tap **Sign-In** in the upper right corner to bring you to the app's dashboard and lessons.

Once you have signed in to the app, you should be able to close and re-open it without signing in again. If you sign out of the app, follow Step 7 to sign back in. Your progress in the course will be saved.

To change the language you are learning, **sign out of the app** and **repeat Steps 2–6,** using the same email address and password you used before. Your progress in each language will be saved.
